Of. FMJD16102011

São Caetano do Sul, October, 16th, 2011.

Dear Mr. Harry Otten

President of FMJD

From 16th to 26th October will be organized in Saint Petersburg, Russia, the 25th World Championship for men and the 12th World Championship for women, in 64 squares.

We will not take part in this competition because they are not normal World Championship. They are international open tournaments because no makes sense that a World Championship for men have 35 players from Russia and World Championship for women have 17 players from Russia.

It's clear manipulation between Russia Draughts Federation and FMJD Section of 64 squares to make russian players world champion and we are sure that the board of FMJD will not agree with this manipulation.

A World Championship must be organized with clear rules, qualifying maximum 1 to 3 players per country and these players must be indicated by the National Federations affiliated according the statutes of FMJD.

We request that FMJD declare null this international competition in Saint Petersburg and declare it's not a world championship.

Sincerelly.
